# DURING HIS LIFE.

## Surgeons Believe That Joseph Abrahams was First Slugged.

### FRACTURES OF THE SKULL.

Efforts of the Chief of Police Have Thus Far Been Unrewarded by the Discovery of Any Clue, But Officers Are Not by Any Means Discouraged. —Funeral of Mr. Abrahams Will Take Place Today.

No developments of consequence were brought to light yesterday in the Abrahams murder mystery. The coroner's jury reconvened pursuant to adjournment and heard the report of the surgeons who made the post mortem examination Wednesday night. Nothing new as to the course of the bullet was brought out, for that was made plain when it was found that the messenger of death had ranged completely through the head from side to side. It was discovered, however, that the skull was fractured toward the base, presumably as the result of the stinging blow delievered on the crown of the head. A slight fracture was also found over the right eye. The surgeons declared that the superficial bruises and all the injuries noted were received during life.

One or two other witnesses whose evidence was of little consequence were examined, and an adjournment was then taken until next Monday morning. It is confidently hoped the earnest efforts now being put forth by the sheriff and chief of police may by that time be productive of some facts that will shed further light on the case and possibly lead to the apprehension of the criminal or criminals. Thus, far however, neither the sheriff or chief of police has been able to unearth anything tangible on which to get to work. But they are in no way becoming discouraged, but each failure on a suspected lead is but giving them more energy to continue their investigations.

The funeral of Mr. Abrahams will be held this afternoon. At 1 o'clock there will be services at the home of M. Studzinski, 616 west Tenth street. At 2 o'clock Pueblo lodge No. 17, Masons, will take charge of the remains and the funeral cortege will move to the cemetery, where the Masonic burial service will be held. Pueblo lodge No. 90, Elks, will act as escort to the remains.
