COLUMBIA THEATER.

"Jane" was put on at the Columbia last night to a fairly good sized audience. Marie De Lano appeared in the title role. This will be the play the rest of the week. Sunday night a double bill will be put on, "Rehearsal" for a curtain raiser and "The Other Man" for the main bill. Both are funny comedies and they ought to draw good houses.

BEGGS' GERMAN SALVE.

The Great Pile Remedy. It has cured thousands and will cure you if you will give it a trial. Also equally good for cuts, bruises, old sores, etc. Price 25 cents. Sold by A. C. Daniels, C. H. Wells & Co. and Reiss Bros.

OBITUARY.

FRANK APPLEYARD.

Frank Appleyard, well known in this city for many years as the proprietor of the Fountain dairy, died at his home two miles north of the city yesterday afternoon. He was a native of Ausable Chasm, N. Y., and was 45 years old at the time of his death. His malady was consumption and he came to Pueblo fourteen years ago for his health. He leaves a wife here and an aged mother in New York to mourn his loss. He will be buried at 10 o'clock Saturday morning from Olin & Co's undertaking rooms.

"We take pleasure in recommending Chamberlain's Cough Remedy because it is praised by all who try it," says J. W. Cox & Son, druggists, Marshfield, Oregon. No one afflicted with a throat or lung trouble can use this remedy without praising it. It always gives prompt relief. It is especially valuable for colds as it relieves the lungs, makes breathing easier and aids expectoration. A cold will never result in pneumonia when this remedy is taken and reasonable care exercised. For sale by all druggists.
