There is no due date, but feel free to collect seeds at the end of the growing period to turn back into the seed library for the next growing year.

Grow, harvest and then return the newly collected

seeds to a Seed Library collection bin. In order to help keep the seed library going, we highly encourage growers to bring some seed back from their harvest. When you donate seeds, please provide:

- Name
- Contact Information - phone or email
- Type (What it is)
- Variety

• Date Collected  
A Seed Library volunteer will reach out to you if there isn't enough information.

Return a labeled envelope to the seed donation box located on top of the Seed Library.

Browse the available seeds in PCCLD's online catalog at [www.pueblolibrary.org](http://www.pueblolibrary.org) stop by a Seed Library location.
