Endnotes for August 2024 Data

- Public Mtg Rm attendance estimated from expected use entered at time of reservation, not actual attendance.
- 3% added to circulation numbers to account for local / in-house use as estimated from 2018 data (pre-Koha).
- Program attendance includes reported virtual attendance at "live" presentations recorded in Communico.
- Google dramatically changed their definition of website Visits to much stricter criteria resulting seeming lower traffic. Our website traffic has remained constant, it is the manner of Google's reporting that changed.
