Access to Library Services

03.01.02 Internet Access and ~~Acceptable Use~~ ~~Wireless Use~~

PCCLD provides free access to the Internet. There is a daily time limit on customers using PCCLD computers. Customers using their own computers or mobile devices may access PCCLD's electronic resources from PCCLD's website remotely or via wireless access points within a PCCLD library without any time limitations.

All customers using PCCLD provided databases and computer software are responsible for adhering to applicable database and software licensing agreements including copying, downloading and viewing restrictions. Customers agree to abide by PCCLD's ~~Acceptable Internet Use~~ ~~Internet Access~~ Agreement.

~~To the extent possible, PCCLD upholds and affirms the right of adults to have access to constitutionally protected materials. Customers accessing the Internet are responsible for complying with all applicable federal, state, and local laws and regulations. Prohibited content is defined by the Children's Internet Protection Act (CIPA) and the Colorado Revised Statutes, Article 90, Part 6, 24-90-601 through 24-90-606. PCCLD uses internet filtering software on youth accounts (ages 17 and under) to comply with the Children's Internet Protection Act (CIPA) and Colorado Revised Statutes §§ 24-90-601 through 24-90-606 customers' access to the Internet in order to comply with the Children's Internet Protection Act (CIPA) and other applicable federal, state and local laws, statutes, and ordinances. Adults may request library staff to disable filtering temporarily to conduct research or for other lawful purposes on PCCLD provided public computers and p~~Parents/guardians may request that CIPA filtering for their child(ren) unfiltered Internet access for be turned off, . The unblocking of Internet sites shall be as described further in PCCLD's ~~Acceptable Internet Use~~ ~~Access~~ Agreement.

Customers using PCCLD public use computers must agree to maintain the integrity of the computers. Unacceptable use includes, but is not limited to, using the Internet for any illegal purpose, transmitting obscene or threatening materials, and using the system in a manner that precludes or hampers its use by others.
