Pick a goal, and start reading on June 1. Read or listen to any reading material. There are **three** ways to earn prizes this year. Choose how to complete the board!

Five books: When finished reading one book, color in a beaker. When five books have been read, color in an atom and

bring the board to the library to earn a prize!

Five hours: For each hour read, color in a beaker. When five hours have been reached, color in an atom and bring the board to the library to earn a prize!

Five days: For each day read, color in a beaker. When five days

have been reached, color in an atom and bring the board in to the library for a prize! Read for at least 30 minutes a day if choosing this option.

Once the board is completed ask library staff about earning extra entries for the ...

GRAND PRIZE!
