04.01.20 Disaster Recovery

It is the policy of Pueblo City-County Library District to develop, test and maintain a disaster recovery plan formulated to continue basic business operations during and immediately after disruptive events. Recognizing that disruptions to business operations may come from a variety of causes such as natural or manmade disasters, terrorism, and technology failures, it is incumbent upon the District to recognize and plan for the expedient recovery of all operational systems in order to minimize the impact of any type of disaster.

A comprehensive disaster recovery plan will identify a Crisis Management Team, activation procedures, staff roles and skills, resources, and the ongoing maintenance responsibilities of the plan. Training of staff is essential and ongoing to maintain emergency preparedness knowledge of practices and procedures for evacuation and recovery.

Pueblo City-County Library District is committed to the implementation of a disaster recovery plan which will address the needs of its employees, its patrons, and the community it serves in the event of a disaster.
