## **Groundbreaking: New St. Charles Mesa Library**

**PUEBLO, Colo.**— Ground is breaking on Pueblo City-County Library District's highly anticipated new library on the St. Charles Mesa. All are invited to participate in the celebration on Tuesday, September 10, at 10 a.m. at 24941 U.S. Hwy 50 E. next to the fire station. Library and local officials are scheduled to make brief comments and Pleasant View Middle School's choir is providing musical entertainment. Breakfast will be served.

The new library will be 7,500 square feet and house 25,000 items for checkout including books, DVDs, audiobooks, e-readers and laptops, with the ability to request items from other libraries in the district. There will be access to all of PCCLD's online databases. Public access laptops and free WiFi will be available. Comfortable spaces throughout the library will accommodate a variety of needs: studying, collaboration and social interaction to name a few. The library will have a large conference room that can still be used by the public even when the library is closed.

Construction of the library begins fall 2013 and will be completed by fall 2014. For more information on this event, call Midori Clark at (719) 562-5605.
