## **Grand re-opening celebration for Rawlings second floor**

**PUEBLO, Colo.**– The Rawlings Library celebrates technological wonders and improvements made on the second floor on Saturday, April 19 from 2 to 4 p.m. Take a tour of the newly-remodeled space and experience hands-on activities in the new Idea Factory, a space created to encourage curiosity and facilitate exploration and creation.

Explore in person two new technologies, both of which have won numerous technology awards from a variety of magazines and websites, Oculus Rift virtual reality goggles and Leap Motion Controller (which uses motion instead of a mouse or touch screen to control a computer screen). A 3-D printing demonstration and access to the Adobe Creative Cloud also will be available for use.

A drawing will be held to win a Leap Motion Controller. Heavy appetizers and drinks will be served. This celebration is free and open to the public.

For more information, please call Carol Rooney at 562-5624.
