Special Screenings

Who Killed the Electric Car? (NR)

Thursday, Jan. 3, 6-8:30 p.m., PW

All Ages. In 1997, General Motors launches the EV-1. It is an electric automobile that requires no gas, oil, muffler or brake

changes and is, seemingly, the world's first perfect car. Yet six years later, GM recalls and destroys fleet. Director Chris Paine examines the birth and death of a revolutionary vehicle.

Revenge of the Electric Car (NR)

Thursday, Jan. 10, 6-8:30 p.m., PW

All Ages. Director Chris Paine takes his film crew behind the closed doors of Nissan, GM, and Tesla Motors to chronicle the story of the global resurgence of electric cars. Without using a single drop of foreign oil, this new generation of car is America's future: fast, furious, and cleaner than ever.

Pueblo City-County Library District Executive Director Jon Walker and Branch Manager Heather Wilder show off the new electric vehicle charging station at Pueblo West Library.

Officials cut the red ribbon to open the charging station.

Ryals study: Literacy and learning

Jon Walker

by Jon Walker

Childhood academic success is front and center as a matter of public interest both locally and nationally. Pueblo City-County Library District will administer a special study to gauge the impact of complementary arts and literacy programming in connection with early childhood learning achievement. The project is funded with general financial support from the Ryals Family Foundation, and includes these partnering institutions: Colorado State University-Pueblo's Center for Teaching and Learning, Pueblo City Schools' Columbian Elementary School, Pueblo Symphony and the Sangre de Cristo Arts and Conference Center.

The study seeks to demonstrate the value of supplementary arts and literacy curriculum support on early childhood learning success. Twenty students in first and second grades at Columbian Elementary School, where 98 percent of the students live in poverty, will receive special learning aid and incentives in the arts, music and literacy to determine the

Kids make music during a Summer Reading program.

positive impact on academic achievement. Student success will be tracked over two academic years and standardized test scores will be compared with local, state and national norms. Partnering institutions will provide special study and education assistance and analysis as part of the learning study.

This project is another way that PCCLD seeks to help achieve its mission in the community in support of literacy and learning.

Outstanding Women Awards luncheon

**Friday, March 8,
Noon-1 p.m., RA, 2nd floor**
**Nominations due by
Friday, Feb. 8.**

Nomination forms are available at all library locations and online at pueblolibrary.org. Pueblo City-County Library District is accepting nominations for the 2019 Outstanding Women Awards. These awards have honored women who have made important contributions to our community and have celebrated the important role that women have played in Pueblo's history. These awards provide an opportunity for any individual or organization to honor a special woman who has made an impact. The only criteria is that the woman must be a resident of Pueblo County currently or during the time the award honors. The person does not have to be living to be honored. For more information contact sara.schwartz@pueblolibrary.org or (719) 553-0220.

Jan. 4: Learn about animals that inhabit the tropical rainforest with special guests and live animals from the zoo. Join us for fun activities and explore this rich habitat and its conservation issues.

Explore the Temperate Forest

Jan. 11: Temperate forests are home to deciduous trees which glow with brilliant colors in the fall and lose their leaves in the winter. Meet some of the animals that call these forests home and learn about ways that you can protect and enjoy these natural areas.

Boreal Forest Adventures

Jan. 18: Boreal forest is the world's largest biome where winters are long and the days are short.

Mammals and birds have unique adaptations to survive the harsh conditions. Meet animals that inhabit the boreal forest and learn how you can enjoy the outdoors.

LEADERSHIP *Institute* 2019

Do you know a woman in grades 10-12 who wants to
make a positive impact in Pueblo, learn about leadership
and build their college resume?

Encourage them to apply to the 2019 Leadership Institute,
a fundraiser for the Pueblo Library Foundation. This is
a character-building program where participants learn
about leadership, teamwork, volunteering and will be
recognized publicly as the next generation of leaders and
philanthropists in Pueblo.
