

ALL PUEBLO READS

October 2016

Library news & events

About the project

By Jon Walker

October 2016 marks Pueblo City-County Library District's 12th consecutive year of All Pueblo Reads.

This year we are featuring *Water for Elephants* by Sara Gruen. All Pueblo Reads is a major part of our regular effort to help cultivate a culture of learning and discussion in our community by bringing everyone together around reading great books.

Reading splendid literature leads us to examine ourselves, our relationships and the world around us. Talking about great literature with friends, family, and neighbors adds richness and depth to our lives. The goal for All Pueblo Reads is for everyone to be reading a great book at the same time and to foster community-wide book discussions.

A myriad of events and activities are scheduled in conjunction with All Pueblo Reads 2016. These include book discussions, film screenings, musical and theatrical performances and more. Programs take place throughout the month of October.

We also have arranged for plenty of copies of this wonderful book and several companion pieces to be available at each of our local libraries for your reading, viewing and listening pleasure. Please join in the learning and fun for All Pueblo Reads 2016 featuring *Water for Elephants* by Sara Gruen.
