Summer Reading

by Jon Walker

Summertime is here! It's time to read. The library is providing loads of opportunities to support your reading all summer long. I am very excited about this summer's reading fun for people of all ages that is available at the library. Pueblo City-County Library District is sponsoring activities this summer designed to encourage literacy and celebrate the joy of reading. Everything kicks off in June and continues into August. Our goal is simple. We aim to keep everyone reading all summer long. We don't focus

The Cloud: A better digital-book experience is here!

Pueblo City-County Library District is launching a new, easy to use e-book and downloadable audiobooks lending service from global leader, 3M Library Systems on Monday, June 6. 3M Cloud Library is a free app that includes thousands of electronic titles for all ages through a library account. The new app will replace OverDrive. Those currently using OverDrive will have access to their items until July 14.

The Cloud provides e-books and e-audiobooks in many formats. 3M Cloud Library is compatible with Apple devices, Android tablets and phones, Kindle Fires, PCs and Macs. There are also features such as Cloud Link (which allows PCCLD customers to borrow e-books from other libraries).

The Cloud will have a new collection of titles specifically purchased for this transition as well

on assigned reading or reading for study. Instead, we emphasize reading for fun and pleasure. The library's Summer Reading program has continued to increase in popularity and participation in recent years. Last year, more people were part of our reading program than ever before. 2016 should be another super summer of reading. Look for announcements elsewhere in this newsletter for dates and times of special activities and events designed to make reading all the rage this summer. Information also is available at your local library, on the library's website, www.pueblolibrary.org, and via local media outlets. I hope you join me in reading a great book this summer. Or, even better, let's read several. The library's Summer Reading program is free and it's fun.

Sherry Wingo receives Friend of the Year award!

On Friday, May 13, The Friends of the Library celebrated their annual end of year dinner. Sherry Wingo was selected as Friend of the Year.

Sherry has been a member of the Friends of the Library Board for six years. During that time, she has been the chairperson of the board's contest committee and a member of the events committee. She has given many hours of energy and devotion to the board and the library. As chair, she has coordinated the writing and drawing contests for the area schools (as well as adults of the community) with library staff and committee members; from developing themes

for the creative writing contest, to managing the parameters of the other contests and judging entries, as well as directing and working the awards ceremonies.

She also has helped plan and organize the yearly FOL events, such as the volunteer luncheon and end of the year dinner. Sherry has gone "above and beyond" in her volunteering by promoting the library to the community. Congratulations Sherry!

Books in the Park needs your help buying books!

Every summer, Pueblo City-County Library District runs a program called Books in the Park, which brings library services to neighborhood parks for kids who might not otherwise be able to come to the library. We would like to have a shiny, new collection of books for this program this year! We are trying to buy 1,000 books for \$5 each before summer's end!

**We've raised
funds for 272 of
1,000 books!
Only 728 to go!**

If you'd like to buy some books, please send checks made out to Pueblo City-County Library District to Attn: Midori Clark, Community Relations, 100 E. Abriendo Ave., Pueblo, CO 81003. You can also get more information by calling 562-5605 or emailing midori.clark@pueblolibrary.org. Thank you!
