PRINTED THANKS TO THE GENEROUS SUPPORT OF FRIENDS OF THE LIBRARY

Contents of the State Parks Pass now available for checkout.

Check THIS out!

Pueblo City-County Library District, in partnership with the Colorado Division of Parks and Wildlife, is offering state park passes to patrons available for checkout.

Each pass contains a backpack, binoculars, state park hanging tag pass as well as various wildlife and nature guides. The pass allows for one carload of people to access any of Colorado's 42 State Parks.

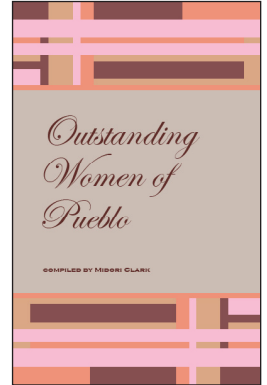

The pass is available for a one-time checkout for one week, and renewals are not allowed. Holds for the pass may be made through PCCLD's online catalog. Fishing and camping fees are not included in this pass. The pass is on a first come, first served basis and is available at the front desk.

For more information, call 562-5600.

Outstanding Women book is here!

The Outstanding Women of Pueblo book is complete! The book features biographies of those nominated throughout the years for Pueblo City-County Library District's Outstanding Women Awards.

A reception and book pick-up for those who ordered the book will take place on **Thursday, July 7, 5-6 p.m. RA, Ryals Room-4th floor**. Appetizers and drinks will be served. If unable to attend to pick up the book, please contact Gloria Madrill at 553-0221 or email gloria.madrill@pueblolibrary.org.

The Cloud to replace Overdrive

Pueblo City-County Library District launched a new, easy to use e-book and downloadable audiobooks lending service from global leader, 3M Library Systems in June. 3M Cloud Library is a free app that includes thousands of electronic titles for all ages through a library account. The new app will replace OverDrive. Those currently using OverDrive will have access to their items until July 14.

The Cloud provides e-books and e-audiobooks in many formats. 3M Cloud Library is compatible with Apple devices, Android tablets and phones, Kindle Fires, PCs and Macs. There are also features such as Cloud Link (which allows PCCLD customers to borrow e-books from other libraries).

Patrons using OverDrive will have access to their items until July 14.

The Cloud will have a new collection of titles specifically purchased for this transition as well as what customers request in the Wishlist feature. Roughly 90 percent of PCCLD's current OverDrive content will transfer over to the Cloud on July 16.

The set-up is simple—download the app, log in one time with a library card, and then read or listen to your favorite e-books and downloadable audiobooks anytime, anywhere. Check out up to 10 titles at one time, and keep them for up to 21 days, when the items will automatically expire from an account.

The Cloud Library

by Jon Walker

The concept of e-books has been around since at least 1930 when a fellow by the name of Bob Brown took the idea of movies with sound or "talkies" and proposed "readies." Yet, it was not until the last decade that e-books really began to come into their own. E-books have improved a lot in recent years. PCCLD currently provides several e-book options for the members of our community. This ever-more-popular service has been available here for a few years now. The current choices for e-book services via the public library include those from

Hoopla, OverDrive, and Freeding. Together these provide us locally with access to literally tens of thousands of e-books. Most American adults own e-reading devices and many experts predict that e-publishing will soon overtake traditional publishing. PCCLD now is making a change in our e-book options. A new service for local library e-book patrons became available in June

It is known as The Cloud Library. It was developed by The 3M Company and is coming online here in our community now. Beginning in July, The Cloud Library will completely replace our current offering from OverDrive. I recommend you try The Cloud Library. Visit <http://www.pueblolibrary.org/digitalmedia> or your local library for more information.

Automated renewal system starts July 1

PCCLD is instituting an automated renewal system. This process renews most checked-out items up to their maximum six renewals. The renewals take place on the due date of the item, which means patrons will receive the maximum amount of time with the material. In addition, patrons will no longer need to go online, visit or

call a library to renew DVD, CD, audiobook, Blu-ray, video games or any other applicable library item. Please note that this renewal system will not renew library items obtained through our Inter-Library Loan service, materials with user holds on them, e-book, e-audiobooks or any other digital content.
