Board of Trustees and Management
Pueblo City-County Library District
100 E. Abriendo Avenue
Pueblo, Colorado 81004

Dear Board of Trustees and Management:

We are pleased to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the audit and nonaudit services CliftonLarsonAllen LLP ("CLA," "we," "us," and "our") will provide for Pueblo City-County Library District ("you," "your," or "the entity") for the year ended December 31, 2019.

Allison Slife, CPA, Principal is responsible for the performance of the audit engagement.

Audit services

We will audit the financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information, which collectively comprise the basic financial statements of Pueblo City-County Library District, as of and for the year ended December 31, 2019, and the related notes to the financial statements.

The Governmental Accounting Standards Board (GASB) provides for certain required supplementary information (RSI) to accompany the entity's basic financial statements. The RSI will be subjected to certain limited procedures, but will not be audited. The following RSI will be subjected to certain limited procedures, but will not be audited.

1. Management's discussion and analysis.
2. Budgetary comparison schedules.
3. GASB-required supplementary pension and other postemployment benefit (OPEB) information.

The following information other than RSI accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements and our auditors' report will not provide an opinion or any assurance on that information:

1. Introductory section.
2. Statistical section.

Nonaudit services

We will also provide the following nonaudit services:

- Preparation of your financial statements and related notes.
- Preparation of the GASB Statement Nos. 68/71 pension related calculations for the District for the year ended December 31, 2019 for inclusion in the District's CAFR
- Preparation of the GASB Statement No. 75 other post-employment benefits related calculations for the District for the year ended December 31, 2019 for inclusion in the District's CAFR

Audit objective

The objective of our audit is the expression of opinions about whether your basic financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) and will include tests of your accounting records and other procedures we consider necessary to enable us to express such opinions. We will apply certain limited procedures to the RSI in accordance with U.S. GAAS. However, we will not express an opinion or provide any assurance on the RSI because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. We will also perform procedures to enable us to express an opinion on whether the supplementary information (as identified above) other than RSI accompanying the financial statements is fairly stated, in all material respects, in relation to the financial statements as a whole.

We will issue a written report upon completion of our audit of your financial statements. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming opinions on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express opinions or issue a report, or withdrawing from the engagement.

Auditor responsibilities, procedures, and limitations

We will conduct our audit in accordance with U.S. GAAS. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements as a whole are free from material misstatement, whether due to fraud or error. An audit involves performing procedures to obtain sufficient appropriate audit evidence about the amounts and disclosures in the basic financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the basic financial statements.

There is an unavoidable risk, because of the inherent limitations of an audit, together with the inherent limitations of internal control, that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with U.S. GAAS. Because we will not perform a detailed examination of all transactions, material misstatements, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity, may not be detected.

In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management and those charged with governance of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management and those charged with governance of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential.

In making our risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the basic financial statements in order to design audit procedures that are appropriate in the

circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. However, we will communicate to you in writing significant deficiencies or material weaknesses in internal control relevant to the audit of the basic financial statements that we identify during the audit.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Management responsibilities

Our audit will be conducted on the basis that you (management and, when appropriate, those charged with governance) acknowledge and understand that you have certain responsibilities that are fundamental to the conduct of an audit.

You are responsible for the preparation and fair presentation of the financial statements and RSI in accordance with U.S. GAAP. Management's responsibilities include the selection and application of accounting principles; recording and reflecting all transactions in the financial statements; determining the reasonableness of significant accounting estimates included in the financial statements; adjusting the financial statements to correct material misstatements; and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. You are responsible for the design, implementation, and maintenance of internal controls to prevent and detect fraud; assessing the risk that the financial statements may be materially misstated as a result of fraud; and for informing us about all known or suspected fraud affecting the entity involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws and regulations, and informing us of all instances of identified or suspected noncompliance whose effects on the financial statements should be considered.

You are responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters, and for the accuracy and completeness of that information; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence. You agree to inform us of events occurring or facts discovered subsequent to the date of the financial statements that may affect the financial statements.

Management is responsible for the preparation of the supplementary information in accordance with U.S. GAAP. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. You agree to provide us written representations related to the presentation of the supplementary information.

Management is responsible for providing us with a written confirmation concerning representations made by you and your staff to us in connection with the audit and the presentation of the basic financial statements and RSI. During our engagement, we will request information and explanations from you regarding, among other matters, the entity's activities, internal control, future plans, specific transactions, and accounting systems and procedures. The procedures we will perform during our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the representations that we receive in the representation letter and otherwise from you. Accordingly, inaccurate, incomplete, or false representations could cause us to expend unnecessary effort or could cause a material fraud or error to go undetected by our procedures. In view of the foregoing, you agree that we shall not be responsible for any misstatements in the entity's financial statements that we may fail to detect as a result of misrepresentations made to us by you.

Management is responsible for authorizing the predecessor auditor to allow us to review the predecessor auditor's workpapers and to respond fully to our inquiries, thereby providing us with information to assist us in planning and performing the engagement. You will be responsible for any fees billed by the predecessor auditor related to our review of their workpapers and our inquiries.

Responsibilities and limitations related to nonaudit services

For all nonaudit services we may provide to you, management agrees to assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to understand and oversee the services; evaluate the adequacy and results of the services; and accept responsibility for the results of the services.

The responsibilities and limitations related to the nonaudit services performed as part of this engagement are as follows:

- We will prepare a draft of your financial statements and related notes. Since the preparation and fair presentation of the financial statements is your responsibility, you will be required to review, approve, and accept responsibility for those financial statements prior to their issuance and have a responsibility to be in a position in fact and appearance to make an informed judgment on those financial statements.
- We will propose adjusting journal entries as needed. You will be required to review and approve those entries and to understand the nature of the changes and their impact on the financial statements.
- We will prepare a draft of the GASB 68/71 calculations and GASB 75 calculations. Since the preparation and fair presentation of the financial statements is your responsibility, you will be required to acknowledge in the representation letter our assistance with preparation of GASB 68/71 calculations and GASB 75 calculations and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. You have a responsibility to be in a position in fact and appearance to make an informed judgment on those financial statements.

Use of financial statements

The financial statements and our report thereon are for management's use. If you intend to reproduce and publish the financial statements and our report thereon, they must be reproduced in their entirety. Inclusion of the audited financial statements in a document, such as an annual report or an offering document, should be done only with our prior approval of the document. You are responsible to provide us the opportunity to review such documents before issuance.

If the parties (i.e., you and CLA) agree that CLA will not be involved with your official statements related to municipal securities filings or other offering documents, we will require that any official statements or other offering documents issued by you with which we are not involved clearly indicate that CLA is not involved with the contents of such documents. Such disclosure should read as follows:

CliftonLarsonAllen LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. CliftonLarsonAllen LLP also has not performed any procedures relating to this offering document.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website or submitted on a regulator website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information in the electronic site with the original document.

We may issue preliminary draft financial statements to you for your review. Any preliminary draft financial statements should not be relied on or distributed.

Engagement administration and other matters

We expect to begin our audit in approximately December 2019.

We understand that your employees will prepare all confirmations, account analyses, and audit schedules we request and will locate any documents or invoices selected by us for testing. A list of information we expect to need for our audit and the dates required will be provided in a separate communication.

We are available to perform additional procedures with regard to fraud detection and prevention, at your request, as a separate engagement, subject to completion of our normal engagement acceptance procedures. The terms and fees of such an engagement would be documented in a separate engagement letter.

The workpapers supporting the services we perform are the sole and exclusive property of CLA and constitute confidential and proprietary information. We do not provide access to our workpapers to you or anyone else in the normal course of business. Unless required by law or regulation to the contrary, we retain our workpapers in accordance with our record retention policy that typically provides for a retention period of seven years.

CLA will not disclose any confidential, proprietary, or privileged information of the entity to any persons without the authorization of entity management or unless required by law. This confidentiality provision does not prohibit us from disclosing your information to one or more of our affiliated companies in order to provide services that you have requested from us or from any such affiliated company. Any such affiliated company shall be subject to the same restrictions on the use and disclosure of your information as apply to us.

Professional standards require us to be independent with respect to you in the performance of these services. Any discussion that you have with our personnel regarding potential employment with you could impair our independence with respect to this engagement. Therefore, we request that you inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence and objectivity. Further, any employment offers to any staff members working on this engagement without our prior knowledge may require substantial additional procedures to ensure our independence. You will be responsible for any additional costs incurred to perform these procedures.

Our relationship with you is limited to that described in this letter. As such, you understand and agree that we are acting solely as independent accountants. We are not acting in any way as a fiduciary or assuming any fiduciary responsibilities for you. We are not responsible for the preparation of any report to any governmental agency, or any other form, return, or report or for providing advice or any other service not specifically recited in this letter.

Our engagement and responsibility end on delivery of our signed report. Any additional services that might be requested will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

Mediation

Any disagreement, controversy, or claim ("Dispute") that may arise out of any aspect of our services or relationship with you, including this engagement, shall be submitted to non-binding mediation by written notice ("Mediation Notice") to the other party. In mediation, we will work with you to resolve any differences voluntarily with the aid of an impartial mediator.

The mediation will be conducted as specified by the mediator and agreed upon by the parties. The parties agree to discuss their differences in good faith and to attempt, with the assistance of the mediator, to reach an amicable resolution of the Dispute.

Each party will bear its own costs in the mediation. The fees and expenses of the mediator will be shared equally by the parties.

Any Dispute will be governed by the laws of the state of Minnesota, without giving effect to choice of law principles.

Time limitation

The nature of our services makes it difficult, with the passage of time, to gather and present evidence that fully and fairly establishes the facts underlying any Dispute that may arise between the parties. The parties agree that, notwithstanding any statute or law of limitations that might otherwise apply to a Dispute, including one arising out of this agreement or the services performed under this agreement, for breach of contract or fiduciary duty, tort, fraud, misrepresentation or any other cause of action or remedy, any action or legal proceeding by you against us must be commenced within twenty-four (24) months ("Limitation Period") after the date when we deliver our final audit report under this agreement to you, regardless of whether we do other services for you relating to the audit report, or you shall be forever barred from commencing a lawsuit or obtaining any legal or equitable relief or recovery.

The Limitation Period applies and begins to run even if you have not suffered any damage or loss, or have not become aware of the existence or possible existence of a Dispute.

Fees

The fee for the Pueblo City-County Library District audit engagement will be \$22,275. We will also add a Technology and Client Support Fee of five percent (5%) of all professional services billed. The fee estimate is based on anticipated cooperation from your personnel and their assistance with preparing confirmations and requested schedules. If the requested items are not available on the dates required or are not accurate, the estimated fee for services will likely be higher. If unexpected circumstances require significant additional time, we will advise you before undertaking work that would require a substantial increase in the fee estimate. Our invoices for these fees, plus applicable state and local taxes, will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for

nonpayment, our engagement will be deemed to have been completed even if we have not issued our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Unanticipated services

We do not anticipate encountering the need to perform additional services beyond those described in this letter. Below are listings of services considered to be outside the scope of our engagement. If any such service needs to be completed before the audit can proceed in an efficient manner, we will notify you and provide a fair and reasonable price for providing the service. We will bill you for the service at periodic dates after the additional service has been performed.

Bookkeeping services

Bookkeeping services are not audit services. Bookkeeping services include the following activities:

- Preparation of a trial balance
- Account reconciliations
- Bank statement reconciliations
- Capital asset accounting (e.g., calculating depreciation, identify capital assets for additions and deletions)
- Calculating accruals
- Analyzing transactions for proper recording
- Converting cash basis accounting records to accrual basis
- Processing immaterial adjustments through the financial statements
- Adjusting the financial statements for new activities and new disclosures

Additional work resulting from unanticipated changes in your organization or accounting records

If your organization undergoes significant changes in key personnel, accounting systems, and/or internal control, we are required to update our audit documentation and audit plan. The following are examples of situations that will require additional audit work:

- Revising documentation of your internal control for changes resulting from your implementation of new information systems
- Deterioration in the quality of the entity's accounting records during the current-year engagement in comparison to the prior-year engagement
- Significant new accounting issues
- Significant changes in your volume of business
- Mergers, acquisitions, or other business combinations
- New or unusual transactions
- Changes in audit scope or requirements resulting from changes in your activities
- Erroneous or incomplete accounting records
- Evidence of material weaknesses or significant deficiencies in internal control
- Substantial increases in the number or significance of problem loans

- Regulatory examination matters
- Implementation or adoption of new or existing accounting, reporting, regulatory, or tax requirements
- New financial statement disclosures

Changes in engagement timing and assistance by your personnel

The fee estimate is based on anticipated cooperation from your personnel and their assistance with timely preparation of confirmations and requested schedules. If the requested items are not available on the dates required or are not accurate, we will advise management. Additional time and costs may be necessary because of such unanticipated delays. Examples of situations that may cause our estimated fee to increase include:

- Significant delays in responding to our requests for information such as reconciling variances or providing requested supporting documentation (e.g., invoices, contracts, and other documents)
- Rescheduling our fieldwork
- Schedule disruption caused by litigation, financial challenges (going concern), loan covenants (waivers), etc.
- Identifying a significant number of proposed audit adjustments
- Schedules prepared by your personnel that do not reconcile to the general ledger
- Numerous revisions to information and schedules provided by your personnel
- Restating financial statements for accounting errors in the prior year
- Lack of availability of entity personnel during audit fieldwork

Changes in accounting and audit standards

Standard setters and regulators continue to evaluate and modify standards. Such changes may result in new or revised financial reporting and disclosure requirements or expand the nature, timing, and scope of the activities we are required to perform. To the extent that the amount of time required to provide the services described in the letter increases due to such changes, our fee may need to be adjusted. We will discuss such circumstances with you prior to performing the additional work.

Other fees

You also agree to compensate us for any time and expenses, including time and expenses of legal counsel, we may incur in responding to discovery requests or participating as a witness or otherwise in any legal, regulatory, or other proceedings that we are asked to respond to on your behalf.

Consent

Predecessor auditor communications

You agree to provide us permission to communicate with the predecessor auditor and to authorize the predecessor auditor to respond fully to our inquiries regarding any matters that will assist us in finalizing our engagement acceptance. You further acknowledge that our final acceptance of the engagement is subject to the completion of those inquiries and evaluation of the responses.

Agreement

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. This letter constitutes the entire agreement regarding these services and supersedes all prior agreements (whether oral or written), understandings, negotiations, and discussions between you and CLA. If you have any questions, please let us know. Please sign, date, and return the a copy of this letter to us to indicate your acknowledgment and understanding of, and agreement with, the arrangements for our audit of your financial statements including the terms of our engagement and the parties' respective responsibilities.

Sincerely,

CliftonLarsonAllen LLP
