Home Address: [REDACTED]

Home Phone: [REDACTED]

Place of Employment: [REDACTED]

Work Address: [REDACTED] Work Phone: [REDACTED]

Email address: [REDACTED]

Cell Phone: [REDACTED]

Please use additional paper to complete the questions below with additional information or to provide resume.

1. Describe the basis of your qualifications? List any financial, management, fundraising or other relevant background you may have.

I am an experienced corporate leader, Board Member, and nonprofit advocate. My professional experiences have included being the CFO of an energy technology company (Dynacloud), CFO of an energy investment fund (Wolf Resources), and Treasurer of a private energy company (Caerus Oil and Gas). Earlier in my career, I was an investment banker in NYC and participated in 45 capital markets transactions and mergers and acquisitions. As a CFO, I have led annual budgeting processes, strategic planning sessions, and capital raising initiatives. For nonprofits, I am a Board Member and Treasurer of Penguins International and a Mentor with the Rocky Mountain-Micro Finance Institute.

2. Please list your areas of accomplishment that could assist the mission of the Pueblo Library Foundation Board.

For Penguins International ("PI"), I have helped identify, evaluate, draft, and review applications to grantor programs for corporations and foundations. Additionally, for PI I participate in capital raising campaigns, event planning, and social media marketing initiatives. My professional experiences at Clarkson Platou Securities and Black Opal Equity included underwriting and structuring bond issuances similar to the C.O.P. financing and working extensively with investment bankers like to Hilltop and Stifel. At Caerus Oil and Gas and Wolf Resources, I helped raise +\$1 billion capital from institutional equity investors and debt financing from a syndicate of 15 lenders. Additionally, at each of these corporations I led the financial planning and analysis that invested over \$400 million annually into long term capital and development assets.

3. Explain why you are interested in being appointed to Pueblo Library Foundation Board.

Two of my passions are education and animal conservation. I have made it a priority in my life to actively work with, and support, organizations that further these causes. I believe that education is essential for a society that wishes to increase the standards of living and improve economic prosperity.

Until I was enrolled in college, I took my education for granted. As my technical engineering coursework enveloped my life, I developed newfound curiosities about the broader world. This led me to begin “free” reading for the first time in my life and instilled in me a passion for education and the power of knowledge (thank you Howe Library in Burlington, VT). Libraries have been a part of my life ever since; from studying for graduate school in the Rose Room of the NY Public Library to becoming a “frequent flyer” in Denver’s Central Library.

4. List any other information that might be useful in consideration for your appointment to the Pueblo Library Foundation Board.

My wife (a Pueblo native) and I recently purchased a house in Pueblo and will be living here 50% to 100% of the time. I feel Pueblo is a gem that needs polishing; a city that needs more champions and advocates. Between my interest in education and believe that Pueblo offers more than its reputation, I am interested in becoming involved with the Library Foundation. Similarly, having worked on “Wall Street” and with startup companies, I recently begun discussions with the Southern Colorado Innovation Link (“SCIL”). SCIL is working to foster an entrepreneurial community and ecosystem in Pueblo.

5. List any civic or community boards or commissions on which you currently serve.

Penguins International (Board of Directors and Treasurer), Rocky Mountain Micro-Finance Institute (Mentor). Corporate Board positions at Wolf Resources (Board of Directors) and Clicke Inc. (Board of Advisors). Previous positions include being a member of the Board of Directors of JA Engage (nonprofit focused on financial literacy) and a member of the Denver Scholarship Foundation Young Professionals Board of Directors.

PERSONAL INFORMATION: *(optional)*

SPOUSE'S NAME: _____ Dr. Sadie Sanchez _____

Tim Krebs
