Is Hit in Head With a Brick

As the result of a trivial quarrel early last evening Jack Young has a badly damaged head and the police are looking for John Campbell, who is charged with being the assailant. The trouble occurred near Union and Grand avenues, and drew a large crowd. It was reported that murder had been committed and the Saturday night crowds flocked to the scene.

Young was hit in the head with a brick, thrown supposedly by Campbell. He was rendered unconscious, but soon revived.
