PIONEER RESIDENT DIES.

Wayne A. Craft Seized With Apoplexy Succumbs in a Short Time.

Wayne A. Craft, 50 years old, for more than twenty years a resident of this city, was seized with apoplexy yesterday afternoon in the Central block and died at his home, No. 210 West Sixth street, within an hour. He leaves a wife and three daughters, who live in the East.

There are few of the older citizens who were not acquainted with Mr. Craft. In years gone by he possessed considerable property. The building at the corner of Union avenue and Main street, oposite the Central block, was erected by him. During the latter years of his life Mr. Craft has been in less affluent circumstances and was engaged for years in dealing in picture frames. Less than a year ago K. W. Craft, a brother of the deceased, died in Texas while away on a business trip. A few months ago, Clay Craft, 16 years old, son of K. W. Craft, met with an accident on the railroad near Florence, which resulted in his death. Still another member of the Craft family died within the last two months.

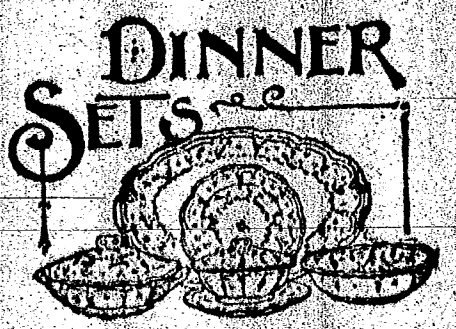

Mr. Craft had at other times been affected with seizures somewhat similar to the one which ended his life yesterday. The funeral will be held tomorrow afternoon at 2:30 o'clock from West Bros. & Whiton's undertaking parlors and the interment will be in Mountain View.
