The railroad bill, the anti-injunction measure, the statehood bill and the public land withdrawals were agreed upon as a revised legislative slate and all the senators present pledged themselves to vote for these measures. It is not believed, however, that the statehood bill will get through.

It was agreed that if filibustering methods were used against this programme, those present tonight and the regulars represented by them would stand together and vote to lay time killing amendments on the table.

FIGHTS FATHER OF BRIDE RYAN LOCKED IN JAIL

Ogden, Utah, May 14.—Martial troubles of Jas. Ambrose Ryan, a former Catholic priest of Denver who renounced his vows of celibacy to marry Miss Sadie Moran of this city at Colorado Springs on January 7, 1909, culminated in a fist fight between Ryan and the father of the girl at her home today. As a result the former priest is locked up in the city jail where he refuses to eat or talk and his wife is at the home of her parents.

After their marriage Ryan and his wife went to Joplin, Mo., where he earned a living by preaching. A few months ago the bride, who says she was cruelly treated, left her husband at Omaha.
