OBITUARY.

Miss Mattie Gunter.

The friends of Miss Mattie Gunter, who conducted a boarding house at 219 west Sixth street, will be somewhat surprised to learn of her death. Her serious illness was briefly mentioned in yesterday morning's Chieftain and she died about daylight yesterday morning. For some time past she had been suffering with her eyes, but aside from that she had been in good health. Thursday afternoon she was taken suddenly ill while returning from a visit to a friend in Dundee place, and became unconscious before she reached home and never regained her senses.

Her parents and a brother and sister reside here. She was a very good, Christian woman and beloved by her large circle of acquaintances, who extend sympathy to her family in their bereavement. The funeral will occur from her home this afternoon at 2:30 o'clock.

LAID TO REST.

Funeral Yesterday Afternoon of the Late Captain Thompson.
