State Doctors to Meet Here

The local County Medical association will entertain the members of the Colorado State Medical society September

precisely the same fashion, in fact, except that the space is necessarily smaller."

That the local office has been completely transformed is an indisputable fact. The visitor is liable to imagine that he is in a bank, when he first enters the room. He is confronted by a heavy oak railing, topped with beautifully bronzed grille work, and finished at the base with a handsomely grained Creole marble. The cashier's and money order clerk's windows are exact
