the coming four months will be composed of Revs. Darcey, Weaver and Lakin. All resident clergymen are ex-officio members of the association, and are invited to be present at the next meeting, while visiting clergymen are invited as guests.

Many at Minnequa

Many of Pueblo's throng of guests were attracted to Lake Minnequa, where they were royally entertained. Some of the afternoon features were the Steel Works band, which gave a delightful concert both afternoon and evening, the balloon ascension by Frank Levan, accompanied by "Mr. Dooley," the monkey aeronaut, the dance at the pavilion and the vaudeville at the theater.

The Steel Works band is composed of some of the best musicians in the city, and their playing was greatly enjoyed. In the evening, fireworks, moving pictures, illustrated songs and the dance kept the pleasure seekers busy.
