to bring Turkey to terms and the American followers of King Venizelos believe the opportunity should be grasped.

The cablegrams state that there are at least 8,000 Greeks in the United States who are prepared to go into the battlefield for their country. Also, they say, funds can be had for the asking. Rather than have the war cease, as reports say it may, Grecians in America will send all the money they can get together to their king to aid, and will go back to their country to fight for it.

The meeting held here last night was at the hall at 1212 Taylor avenue, Bessemer. About fifty Greeks attended and all were enthusiastic over the prospects of the war continuing and the Greeks again coming into their own.
