SLAIN MAN BELONGS TO WEALTHY FAMILY SHOWN BY PAPERS

Special to The Chieftain.

Trinidad, Aug. 13.—That Abe D. Cohen, who was shot and killed Tuesday night by Charles W. Moore while Cohen was attempting to elope with Moore's wife, was a member of a prominent Jewish family residing in Detroit, Mich., and that he has a brother, J. J. Cohen, and a sister, Miss Helen Cohen living in Marshall, Texas, is indicated by letters found this evening by Coroner John Guilfoil while searching the dead man's effects. Among his belongings was also found a certificate in Cohen's name indicating that he is a past chancellor commander of the Knights of Pythias lodge at Marion, Ind.

There was nothing found among his papers to show that his father is a rabbi, although the letters bearing the signatures of relatives indicate that the family is well-to-do and well educated. Messages have been sent by the coroner to Marshall, Texas, and also to Detroit in an effort to decide what disposition is to be made of the remains.

Charles W. Moore, the man who did the shooting, was released from the county jail today under a bond of $2,500. The preliminary hearing has been set for August 19.

Moore, according to physicians, has been suffering for some time past with cancer of the stomach and a bone in one leg is also said to be affected with tuberculosis. Moore has been in bad health for several years.

Mrs. Moore, the woman who is alleged to have been the cause of the tragedy, acting on the advice of her attorney, refuses to talk.
