Attending

The annual harvest ingathering program of the S. D. A. Sabbath school was given at the Seventh Day Adventist church last night before a large crowd of members and friends. It was pre-eminently a children's program. In recitation and song they told the gospel story of the needs of the mission fields, and the blessings in giving to the cause of God.

Of special interest was the exercise representing the good shepherd—the gathering of the flock into the fold, and the final effort which resulted in bringing in the last few. The collection was over seventeen dollars which will be sent to the S. D. A. mission board at Washington, D. C., for the furtherance of world-wide evangelisation.

Next Sunday night, October 12, the pastor, Claude E. Eldridge, will preach on the topic, "Tormented Forever and Ever."
