is no place to go. It is all right for carpenters or painters but aside from these there is practically nothing doing.

Last Sad Rites Over Mrs. Craft

Mrs. Alice E. Craft who died in this city at St. Mary's hospital, Friday, December 5, was born in Saegertown, Pa., in 1857. She came to Pueblo in 1880, and since then had resided here, her charitable and unselfish nature winning for her a place in the hearts of all who knew her, and the esteem of the community at large.

Her death was wholly unexpected, resulting from an illness of but a few days. On Monday she was removed to St. Mary's hospital to undergo a slight operation for abscess formed internally. Before the operation could be performed the abscess broke and blood poison set in, causing death almost immediately.

The funeral services were held last Wednesday afternoon from her late residence at 706 Summit street. Her numerous friends had charge during the last sad rites, and all sought to show the love and respect in which she was held during her life.

Reverend Thomas Stephenson conducted the services, and music was rendered by the Baptist church choir, and Mr. McIntyre, soloist.

The pall-bearers were Messrs. Ernest Osgood, C. E. Yelton, Fred Clark, A. J. Ripley, Charles Lindsley and O. G. Pope, and Messrs. McPherson, W. D. Grizard, Lee Faurot and W. S. Edsall acted as honorary pall-bearers.

The floral offerings were beautiful and numerous.

Surviving the deceased there are an aged father who lives in Salem, O., two sisters, Mrs. K. R. Smith of Bradford, Pa., Mrs. E. E. McKee of Salem, O., and two brothers, E. M. Feringer of Newcastle, Pa., and W. H. Feringer of Meadville, Pa., all of whom except the father and Mrs. McKee, were in the city for the funeral services.

Friends from other places were also present, among them being Mrs. Geo. Maxwell of Rocky Ford, and Mrs. F. Hoffman of Denver.
