FUNERAL NOTICES.

Services over the remains of the late K. W. Craft were conducted yesterday afternoon in the undertaking rooms of the Board of Trade building. Notwithstanding the rain a large number of friends attended, among whom were many members of the Elks, Masons and Maccabees. The floral offerings were of great beauty, including several handsome designs from the various fraternal orders with which Mr. Craft in life was affiliated. The services were conducted by Rev. R. A. Chase, of the Broadway M. E. church, who spoke in earnest sincerity of the noble attributes of the departed. The pall-bearers were Fred H. Bullen, Dr. W. H. Spicer, O. B. Kinkel, Roman Rachel, J. P. Martel and Luke Lutin. Flower bearers were Rev. J. E. Fisher, Dr. A. H. Coleman, M. J. Galligan and H. H. Van Clief.

The interment was in Mountain View where Masonic rites were observed.

The remains of the late Louis F. Frain, the F. & C. C. engineer who was killed in the accident at Adelaide, Saturday, will be brought to Pueblo Tuesday, arriving here at 1:40 o'clock
