taking company.

As instructed in the note that Morris left addressed to Coroner Patterson, and which was found among his effects at the police station, telegrams have been sent to a brother in Carrington, N. D., and to a sister in Kansas [illegible] on a date hour last night no answer had been received from either place.

There have been no further complaints from victims of Morris' forgeries, and it is thought that the three checked up to the police, which aggregated $22 in amount, will be the only ones heard.
