## $20 ALBUM OF COLORADO VIEWS FREE

some fortunate passenger on the and excursion to Marshall Pass on nday, July 21. The album donated the Detroit Photographic company d the finest thing ever issued—24 autiful tinted views. All tickets for is grand trip are numbered from o 999 and number has been selected the photographic company which

men now at work for the Santa Fe, a complaint being made that they do not get their rights.

## BORING HAS BEGUN.

All necessary details for the boring for oil by the Pueblo Oil Wells company, was completed Saturday, and this morning the drill was started in Boggs' Flats. The drillers expect to average about sixty feet a day and at the end of twenty-five days expect to be at a depth of 1600 feet, where the red sand which holds oil is expected to be run into.

At present water for boiler purposes has to be carted a considerable distance, but inside of a few days it is expected that a sufficient body of water will be encountered by the drill to keep the boiler supplied.

## MRS. DELTONDO'S FUNERAL.

Mrs. Saverio Deltondo, whose death resulted from the careless use of coal oil, last week, was buried last evening at 5 o'clock from St. Patrick's church, and interment was in Riverview.
