NEW CITY MAP—Within two weeks the big new city maps, the drawings of which were prepared by City Engineer Peach, will reach the city from the east. Proofs in the hands of Mr. Peach show that they will be a fine piece of work. The size of the drawings were 5 by 6 feet and every foot of ground within the city limits is shown. About 100 will arrive in the first shipment.

ENTERTAINED—Miss Bertha Herman entertained the teachers of Central high school in celebration of her birthday Tuesday evening. Those present were: Professor Keating and wife, Mr. and Mrs. Jones, Mr. and Mrs. Fonda, Miss Scott, Miss Hurford, Miss Bauman, Miss Williams and Mr. and Mrs. Shloss. The decorations were in lavender and white and a flashlight picture of the company was taken.

DEMING FUNERAL — Attended largely by former friends in Pueblo, the remains of E. J. Deming of Rawlins, Wyo., were laid to rest in Riverview cemetery yesterday afternoon. Services were held at the Board of Trade building, conducted by Rev. C. S. Earley. Miss Adelaide Beardsley sang two appropriate solos which were full of consolation to the bereaved ones. There were many beautiful floral offerings. Pall bearers were W. D. Latshaw, Harry Harris, R. A. Druley, G. F. Thum, Ed. Nichols and W. B. Slife.

To remove a troublesome corn or bunion: First soak the corn or bunion in warm water to soften it, then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily; rubing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by all druggists.
