Native American Heritage Month at PCCLD

Native American Heritage Month is celebrated each year in November. It is a time to celebrate the traditions, languages and stories of Native American, Alaska Native, Native Hawaiian, and affiliated Island communities and ensure their rich histories and contributions continue to thrive with each passing generation.

PCCLD celebrates the month with free events, including a performance by musician Leon Littlebird, screenings

of the documentary "Lakota Nation vs. The United States," a special indigenous cultural celebration featuring members from Pueblo SOAR and so much more! There are also an array of digital resources available to anyone with a valid library card.

Look for **#NativeAmericanMonth** in this program guide to find free programs at a library near you.

Don't have a library card? Sign up for one today at any PCCLD location.

Leon Littlebird will give a free performance on November 13 at 6 p.m. in the Ryals Grand Event Space at Rawlings Library.

Celebrate 10 years of lifelong learning with us!
