The singing of a number of old time Scotch songs familiar to everyone was also much enjoyed, as was the bagpipe playing by Miss Glaser and Baldy Strong as "Sandy."

A realistic rainstorm was also produced as a finale to the third act.

Miss Glaser and Richards were obliged to respond to encores on every one of their musical numbers and they were also obliged to respond to curtain calls at the close of every act.

That the show was enjoyed by the large audience throughout was evidenced by the almost constant applause.
