ALBERT EVANS IS FATALLY INJURED

Special to The Chieftain.

Victor, Feb. 11.—Albert E. Evans, aged 22 years, met with a fatal accident this afternoon on the Last Dollar mine on Victor hill. The young man was coming to the surface when in some manner he lost his footing and fell into the shaft. He was carried about twenty-five feet between the shaft lining and the cage and then fell to the bottom of the shaft, which contained several feet of water.

He was brought to the surface alive and conscious but in a mangled condition and was taken to the district hospital where he succumbed to his injuries a few hours later. He remained conscious until the last but could not explain how the accident occurred.

Deceased was single and came to the district with his parents, Mr. and Mrs. E. K. Evans, from Rockvale, Colo., when he was 12 years of age.
