"Much-a de Muss" For Guardsmen

The local officers of the national guard yesterday received the information that within the next few months athletic sports will be indulged in by all privates and noncommissioned officers of the Colorado national guard. The athletic instruction will be under the supervision of Professor James S. McKay of Denver, who will make fortnightly visits to this city as well as other cities and towns in the state where national guard companies are stationed.

Adjt. Gen. Sherman M. Bell of the national guard was a guest at the athletic meet held at Fort Logan a few days ago between the various companies of the department of Colorado, United States army, and became so enthusiastic in the apparent advantages gained that he decided to install such a system throughout the entire national guard of the state.

Professor McKay has a long and enviable record as an athletic instructor. He will make regular fortnightly trips to Pueblo, Rocky Ford, Florence, Canon City and other places where national guard companies are stationed. During
