Husband Taking Wife Home Finds Her Dead on Arrival

Confident that she would not get well, Mrs. Bessie F. Heines, 31 years old, wife of William L. Heines, yesterday expressed a desire to leave St. Mary's hospital, where she had been for three weeks. Her husband accordingly placed her in his automobile and together they drove to their home, 408 Bay State street.

Heines drove carefully and talked cheerfully as they proceeded. Arriving at their home the husband turned to pick up the woman at his side and carry her into the

house, suggesting that she better not walk. He got no response and closer observations told him she was dead as the body sat upright in the seat beside him.

Heines and his wife came here from Holly, Colo., two months ago hoping the change would benefit the woman's falling health. She was suffering from lung trouble. In addition to her husband, she left one son, Earl. The body will be forwarded to Holly for interment by the Davis & Vories company.
