MOTHER'S FRIEND

Gets Promotion

A dispatch from Canon City yesterday stated that Prof. Frank D. Slutz had been elected superintendent of the Canon City schools. The position is not superintendent, however, but principal of the Canon City high school.

Prof. Slutz is a well-known and popular teacher in the Centennial high school. His many friends in Pueblo regret that he will leave the city and the Pueblo schools, but they are happy to know that the change will mean for him a larger field of labor and one in which they know he can reflect credit upon himself.

Hill Funeral

The funeral of George B. Hill, which was held from the residence, 1204 Pine street at 2:30 o'clock yesterday afternoon, was largely attended. Many handsome floral pieces were sent by friends and relatives. The services were conducted by Rev. Mr. Porter, pastor of the Northern Avenue Methodist church. The choir of the church rendered appropriate music.

The pall bearers were selected from the Knights of Pythias and the Knights and Ladies of Security, of which orders Mr. Hill was a popular member. The pall bearers were as follows: Knights of Pythias, Thomas Lind, J. A. McNeal and George Diggs; Knights and Ladies of Security, Will Claphan, Dr. John I. McGonigle and W. S. Marble. Flower bearers were A. L. Rich and E. R. Fisher of the Knights of Pythias and Fred McGregory and E. D. Farley of the Knights and Ladies of Security.
