RE MAGGIE IS.

ight Days the Mystery is Solved.

WELL AND HAPPY.

ped With the Man of Her It Was Nobody's Business Own, So She Did Not En- the Public.

After one week of mystery and much inquiry regarding that much mooted question, "Where is Maggie Hoel?" it has now developed that Maggie is well and happy, although she is no longer Maggie Hoel. Her name has disappeared, presumably never to return, but the owner of the name is now said to be Mrs. J. E. Watson. Back of her disappearance just eight days ago is a romance rivalling the livelist bit of fiction ever produced.

It appears that there was a lover who was not beloved by the relatives of Miss Hoel. Like the lovers of old, he was not daunted by a trifle like a bunch of unappreciated kin, and sallied forth to the spot where the object of his affections dwelt. How well she kept the secret of his presence is known to the people of Pueblo. For days the police and detectives looked in vain for a clue and finally abandoned the search with the firm conviction that the girl did not want to be found. Regardless of the numerous inquiries as to her whereabouts and the newspaper stories occasioned by her strange van-
