Leonard Hogg Dies at Telluride

Suffering a third stroke of paralysis at his home near Telluride several days ago, Leonard Hogg, father of Congressman Herschel M. Hogg, died at the family residence in Telluride yesterday morning. The deceased was 75 years of age.

Upon receipt of the sad intelligence that his father had again been stricken with paralysis Congressman Hogg immediately boarded the train at Washington, where he was attending congress, and hastened to Telluride to be at the bedside of his aged parent. Congressman Hogg arrived there last Saturday night, but his father was unable to talk to him, having lapsed into unconsciousness, from which he never revived.

The remains will be received in Pueblo tomorrow morning and removed to McCarthy's parlors. The funeral will take place from there at 9:30 o'clock Thursday morning. Interment in the family lot at Roselawn.

Dr. W. H. Campbell has removed his office to Physicians' block, over Pueblo Drug store, corner Main and Third streets.

Exclusion Act Decision.

By Associated Press.

Cincinnati, Jan, 9.—The case of Hong Wing vs. the United States involving the Chinese exclusion act was decided in favor of the United States in the circuit of appeals in this city, the court holding that the act of April 7, 1894, continued the exclusion act in full force, congress having full power to do so.

Word From Dry Dock Dewey.

By Associated Press.

Washington, Jan. 9.—News from the dry dock Dewey reached the navy department in a wireless communication from Commander Halsey, commanding the Des Moines off Culebra, which he had intercepted from the collier Glacier. The message said the Potomac had rejoined the fleet which was making about three knots an hour.

The following cablegram has been received at the navy department from Rear Admiral Dunlap commandant of the naval station at San Juan, Porto Rico:

"Eight a. m., Monday received at station. To Washington: Squadron together. Latitude 34.40; longitude 64.15, course east: speed three knots. Hosley reports fine weather."

This cablegram refers to the dry dock Dewey expedition which it is estimated has made a distance of about 750 miles. The report is regarded at the navy department as very encouraging.

DANGERS OF A COLD AND HOW TO AVOID THEM.

More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by all druggists.

A REMINDER TO THE TRAVELING PUBLIC.

The Colorado and Southern railway sells tickets to all points east—Kansas City, Omaha, Chicago, St. Louis, New York, etc.—in connection with the Burlington, Union Pacific or Rock Island line. Our trains make close connections with the above lines, so when you contemplate an eastern trip call at city ticket office, corner Third and Main streets.

P. S.—We still offer the best service to Colorado Springs and Denver. Always ask for C. & S. tickets. Up-town office or Union depot.
