Open Air Meeting Largely Attended

Another large audience was present at the union gospel campaign service at the corner of Seventh street and Santa Fe avenue last night.

The young people's meeting was led by Miss Pomeroy and the music by W. C. Cobb.

At the 8 o'clock service Rev. Mr. Hoffman of the Colorado Prison association took about ten minutes and in a very interesting way presented his work in behalf of the prisoners.

Rev. S. B. Moyer then preached from the text "Righteousness exalteth a nation, but sin is a reproach to any people," Prov. xiv:34. The subject was "The Church in the Home." Mr. Moyer showed how character formed in a Christian home was a more valuable asset than great commercial or banking enterprises and cited as illustration Theodore Roosevelt, Francis E. Willard, Willis Lloyd Garrison, Wendell Phillips, Henry Ward Beecher, the Field family and others. Mr. Moyer's sermon was listened to with close attention.

Next Sunday evening Dr. Guy W. Wadsworth will preach on the subject "The Church and Education." This will be a special service for educators and students and all others interested in the subject of education.
