Certificate of Achievement awarded to library district

PUEBLO, Colo. — Pueblo City-County Library District (PCCLD) earned honors from the Government Finance Officers Association for excellence in financial reporting.

PCCLD's finance department received the Certificate of Achievement for Excellence in Financial Reporting for its 2023 annual comprehensive financial report. The award is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

Judged by an impartial panel, the report meets the high standards of the program, which includes demonstrating a constructive "spirit of full disclosure" to communicate the district's financial story.

Government Finance Officers Association advances excellence in government finance by providing best practices, professional development, resources and practical research for more than 21,000 members and the communities they serve.
