ST. IGNATIUS CHURCH—During the pastor's absence the services on Sunday will be the same, except that there will be no vespers. Benediction of the Blessed sacrament will take place immediately after the last mass. Confessions will be heard early in the morning before the first mass. On week days there will be mass at the usual time, Wednesdays and Fridays. Father Ley expects to be absent about three weeks.

ONCE LIVED HERE—George F. Justice, of this city, who was drowned at Miami station, Missouri, Monday, May 1, had many friends in Pueblo who will regret to hear of his untimely end. He has been a resident of this city for a number of years and had been employed as brakeman on the Santa Fe railroad. When here he had resided at 557 east Fifth street. The deceased was a son of J. A. Justice, who is a foreman at the round house of the Colorado & Southern railroad.

APRIL WEATHER—Observer J. P. Slaughter of the Pueblo weather bureau has issued his monthly meteorological summary of the weather for April. It shows: Mean temperature 52 degrees; highest temperature 82, April 25; lowest temperature 23, April 6. Mean temperature in April for eleven years 51 degrees. Total precipitation for month 0.17 inches. Average precipitation in April for eleven years 0.77 inches. Clear days 17; partly cloudy days 10; cloudy days 3.

SURPRISE—Social lodge No. 21 went in a body to the residence of Charles Springer, 312 Summit street last evening, not to surprise Mr. and Mrs. Springer, but Mr. and Mrs. E. H. Timmis. It proved to be a success, as Mrs. Timmis had retired for the night when the rap came to the door, but in a very short time the visitors were enjoying
