Meanwhile the father may have left the city or done other things that will continue the boy's search indefinitely. In relating his story the lad said that everyone had been very kind to him and he had been provided with food and a place to sleep by strangers to whom he had told of his vain search. Every effort is being made by the police to locate the pair and bring them together.

OLD SOLDIER IS SUDDENLY SUMMONED

John L. Kester, a veteran of the civil war, dropped dead yesterday morning just after he had entered his room at 403½ south Main street. Dropsy and heart trouble was the cause. He had been in ill health for some time and was very feeble. One of the boarders in the house heard him fall after he had opened the door of his room and hastened to him but the old gentleman was probably dead before he struck the floor.

Only a short time ago the proprietors of the place where the deceased had been living became alarmed on account of his feeble condition and sent for Charles Hoisington, an old friend of Mr. Kester, who has since been staying with him. Deceased came to Pueblo some time ago from Cripple Creek on account of his health. It is understood that he has a son living at Cripple Creek and another son serving as a soldier in the Orient. The funeral will take place at 2:30 o'clock this afternoon from the undertaking rooms at the corner of D street and Union avenue and will be under the auspices of the G. A. R.
