been endeavoring to utilize a
t for the purpose and have been
erring with the railroad pool which
rols the terminal grounds at the
rer Union depot.
e most feasible route is for the
to use the Pacific short line to
ill and construct their own line
the 600 miles between that point
Denver. This route has been al-
y surveyed six years ago, although
ing was done toward constructing
ine.
ropos of new railroads there is a
bility that Collis P. Huntington,
dent of the Southern Pacific road,
visit Pueblo on his way east. There
me significance attached to his
ey through this section in view of
act that he is known to be back-
he project of a road from Dallas
gh Reno and up the valley to
lo. The Business Men's associa-
have been investigating the pro-
on which was found to have had
ng of the right sort.

STACK OF RUMORS.

h the resignation of Charles H.
cks, assistant general manager of
. & R. G. road, has come the
aftermath of rumors following
es among railroad officials. That
changes will follow is generally
ded among local railroad men
ven the wisest are at a loss to
definate assertions as to what
will be. It is not probable that
will affect the local officers of the
until matters have been adjusted
general offices.

AY EXCURSIONS VIA RIO GRANDE.

r and return.....$8.35
do Springs and return.....$1.25
lve trains every day and all
s.
