Footnotes for March 2026

Gauge Max values are previous year results + 10%.

Target values are the previous year results.

- Public Mtg Rm attendance estimated from expected use entered at time of reservation, not actual attendance.
- 3% added to circulation numbers to account for local / in-house use as estimated from 2018 data (pre-Koha).
- Program attendance possibly includes reported virtual attendance at "live" presentations recorded in Communico.
- Google dramatically changed their definition of website Visits to much stricter criteria resulting seeming lower traffic. Changes (estimates) to 2023 Jan-Jun data were made to make Website data consistent with GA4 reporting.
- As of Feb 2025 FB no longer provides Impression data. The emphasis has been changed to "Reach".

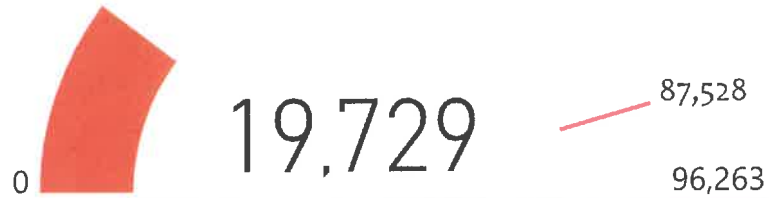

Deadlines for Events to be approved and published in Communico:
