Unearth a Story at PCCLD!

School's out and Summer Reading is on! Designed to help young readers build confidence while encouraging the joy of reading, the Summer Reading program is a perfect way to keep readers, ages 0-18, engaged and ready for the upcoming school year.

Read 5, Do 1

Participating is easy. Pick up a

Summer Reading game board, read five books, do one activity, then turn in their completed game boards to earn the prize for that week.

Best of all, each completed game board is an entry into that week's grand prize drawing. There will be new coupons and prizes each week. See our list of weekly coupons

and prizes for more.

Game boards are available at all PCCLD locations June and July.

Summer Reading kicks off June 5 at Rawlings Library. Enjoy free book giveaways, take a photo with "Dog Man" rock out with the North Mesa Elementary rock band, make crafts, and a whole lot more 2 to 4 p.m. Food trucks will be onsite, too. This dino-mite party is free and open to the public, just bring your sense of fun and adventure.

Ideas, Inspiration, Information

Rawlings Library public elevator modernization

We are modernizing the Rawlings Library elevators to improve safety, reliability and accessibility for all patrons and staff.

Project timeline is 2026

• **Access impacts:** Public elevator availability will be phased to keep at least one public elevator accessible when possible; there may be

periods when both are offline for testing and on-going work. If both elevators are unavailable, PCCLD will plan alternative routes for patrons with accessibility needs.

• **Interim measures:** Clear signage directing patrons to alternate routes and staff and security support for building access.

• **Contingency note:** These dates may change. We will provide timely updates through the website, on-site notices, email lists, and social media.

• We are committed to keeping staff and the public informed and to minimizing disruption. If you have mobility, access, or service

needs, please contact library staff so we can arrange reasonable accommodations, priority access, or remote/reserved services during construction. Expect regular project updates on the Rawlings Library webpage and posted notices at building entrances.
