SOMBER WRAPS ARE GAILY LINED.

The darker the color of wrap on the outside, the more gorgeous the lining. Some of these linings are of post impressionist silk; others are of rich brocades, or of printed silk in embroidered effects. This wrap of tobacco brown duvetyn is lined with shrimp pink silk printed in Futurist effect with blue, pink and yellow flowers. The gown is also of duvetyn—a new and particularly beautiful fabric controlled by one of the great French couturiers and resembling velour de laine in texture.

MRS. JENNIE LOCKIN DEAD

Died Suddenly Yesterday While Visiting Sick Son of a Neighbor

While on a visit of inquiry at the illness of a neighbor's child Mrs. Jennie S. Lockin, wife of John W. Lockin, editor and publisher of Pueblo Sunday Opinion and an old time newspaper man of the city, died yesterday afternoon.

Mrs. Lockin had not been ill other than suffering a slight cough for a few days. She went across the street from her home, 2411 Greenwood street, to visit the home of Joseph F. Reilly, 2414 Greenwood, to inquire after the latter's son, who is ill. She had been there but a few minutes when she was suddenly stricken and died in a few minutes, before medical aid could be summoned. The cause of death was given as internal pneumonia.

Deceased was 61 years of age. She was born in Fon du Lac, Wis., in which city she was married to Mr. Lockin on June 12, 1878. She came to Pueblo in 1883, a few months after her husband, and had lived here ever since. Besides the husband she is survived by one daughter, Mrs. W. D. Brown.

Medal For Roosevelt

Buenos Ayres, Nov. 8.—Col. Roosevelt today received thousands of school children who sang "America" in English. The spectacle was an imposing one. The boy scouts presented the former president with a medal.

To decrease the number of accidents a French city is building a street with a separate roadway for each kind of traffic, motor, horse and foot.
