Fowler, May 13.—Harold Mabes, the 6-year-old son of Mr. and Mrs. Walter Mabes, of Fowler died early this morning as a result of lockjaw which set in Thursday after a 45-cabiler revolver bullet had been extracted from the liftle lad's left side.

Young Harold got hold of his father's revolver Thursday and while playing with it pulled the trigger, the bullet crashing through his thigh, immediately below the abdomen, and being extracted from his left side. The young boy lingered between life and death for twenty-four hours.

The new school building now in course of construction at Fowler, which will cost $10,000 when completed, will be finished by September 1 and ready for occupancy by the fall term. The following teachers have been selected for the ensuing school term: G. W. Smith, principal; Ada Saveroy, Loreth Scott, Bertha Miller and Anna Blakey.
