2027 BUDGET NARRATIVE

The 2027 preliminary budget for the Pueblo City-County Library District (the District) was prepared by the Finance Office with input and requests from Library Managers, Supervisors, Directors, and Executive Director Sherri Baca. The formulation of this document adheres to overarching principles, specifically the District's mission statement, annual plan, and established policies. It draws insights from strategic planning, incorporates the Library Replacement Plan's ten-year forecast, and integrates the ten-year Financial Projection model delineating long-term revenues and expenditures.

The Motto, Vision, and Mission of the District serve as guiding principles for daily operations and for the formulation of the annual plan and budget:

- **Motto:** Ideas, Imagination & Information
- **Vision:** Books and Beyond
- **Mission Statement:** We serve as a foundation for our community by offering welcoming, well-equipped, and well-maintained facilities; outstanding collections; and well-trained employees who provide expert service encouraging the joy of reading, supporting lifelong learning, and presenting access to information from around the world.

The District compiles budget data across two primary funds: the General Fund and the Capital Project Fund.

General Fund: All regular operating revenues and expenditures are budgeted in the General Fund. Revenues include property taxes, specific ownership taxes, fines, fees, contracts, interest on investments, and miscellaneous income. Expenditures include all personnel costs, operating supplies, facility expenses, administrative costs, and library materials (such as books, audiovisual materials, and digital subscriptions).

Capital Project Fund: The Capital Project Fund accounts for Master Facility Plan expenditures, Library Replacement Plan costs, and other capital improvements, including information technology upgrades and major facility renovations. In 2027, the District will begin planning for renovations at the Pueblo West Library as part of the Master Facility Plan. The revenue budgeted in this fund reflects interest earnings and contributions from foundations and grantors.

To support the Master Facility, Library Replacement, and Building Improvement Plans, an annual transfer of \$2,175,602 from the General Fund to the Capital Project Fund is budgeted for 2027, with planned annual transfers continuing thereafter.

The District receives the majority of its funding from property taxes generated in Pueblo County. Because the boundaries of Pueblo County and the Library District are contiguous, no other property taxes are received. Property taxes account for approximately 89% of the District's combined fund revenues. The remaining revenue is

derived from specific ownership tax, interest earnings, donations, contracts, grants, copy/printing fees, miscellaneous income, and contributions from the Friends of the Library and the Pueblo Library Foundation.

The voter-approved base mill levy for the Pueblo City-County Library District is 5.8500 mills. In addition, the District is authorized to apply the following adjustments to the mill levy:

- In 2027, the abatement/refund mill levy is expected to be certified at 0.0280 mills, generating \$67,353 in revenue (an increase of \$47,708 in refunds and abatements compared to 2026).
- Under voter-approved Ballot Measure 6B (November 2019), the District may adjust its mill levy annually to offset revenue losses resulting from changes in the percentage of actual valuation used to calculate assessed valuation. For 2027, this adjustment is estimated at +0.5946 mills.
- In 2024, the Colorado General Assembly passed House Bill 24B-1001 to reduce property taxes for homeowners and commercial properties while establishing local government revenue caps. The 2027 budget complies with the statutory 5.25% revenue cap, resulting in an offsetting reduction of -0.1824 mills.

Taking these components into account, the total estimated mill levy to be certified to Pueblo County for collection in 2027 is 6.2902 mills.

The budget calendar complies with Colorado Revised Statutes (C.R.S. § 29-1-108(4)) and aligns with internal planning milestones for each budget phase. Formal resolutions adopting the budget and annual plan, appropriating funds, and establishing the mill levy will be presented to the Board of Trustees for approval. The official Mill Levy Certification submitted to Pueblo County will be included in the final approved budget document.

**MILL LEVY CALCULATION
PRELIMINARY BUDGET 2027**

2027 Budget			Formula	2026 Budget	
A	2,649,983,864	Total Gross Assessed Valuation		2,674,852,240	Total Gross Assessed Valuation
B	203,350,980	TIF reductions*		159,975,693	TIF reductions
C	2,446,632,884	Total Net Assessed valuation per spreadsheet	A - B	2,514,876,547	Total Net Assessed valuation
D	5.850	Voter approved mill levy limit		5.850	Voter approved mill levy limit
E	14,312,802	Total Revenue	C X D X .001	14,712,028	Total Revenue
F	67,353	Abatements, refunds		19,645	Abatements, refunds
G	0.028	Millage for abatements, refunds	F / C X 1000	0.008	Millage for abatements, refunds
H	5.878	Adjusted mill levy	D + G	5.858	Adjusted mill levy
I	0.5946	Adjustment for decreased Assessment Rate		0.6540	Adjustment for decreased Assessment Rate
J	(0.1824)	Adjustment for HB24-1001**		-	Adjustment for HB24-1001
K	6.2902	Assessment Rate Adjustment Mill adjusted	H + I + J	6.5120	Assessment Rate Adjustment Mill adjusted
L	15,389,810	Adjusted total revenue	K X C X .001	16,376,876	Adjusted total revenue
M	15,328,251	Budgeted revenue @ 99.6%	I X 99.6%	16,311,369	Budgeted revenue @ 99.6%
\$	1,195,297	*Revenue reduction impact of TIF	B X D X .001	\$ 937,138	Revenue reduction impact of TIF
\$	446,266	*Revenue reduction impact of HB24-1001	B X D X .001	\$ -	Revenue reduction impact of HB24-1001

This chart shows how the mill levy is calculated based on assessed valuations for both current and prior years.

The voter approved mill levy is 5.85, but an increase to capture abatements and refunds from the prior year is allowable.

Additionally, the mill levy is adjusted for the decreased assessment rate resulting from SB293, and 5.25% annual revenue cap on property tax from HB 24B-1001.

Those adjustments are reflected here for a total mill levy in 2027 of 6.2902

In previous years, the actual collections have averaged around 99.6%, due to abatements and refunds as well as delinquencies.

The calculation in 2027 is based on estimated net assessed valuation from the County Assessor.

GENERAL FUND

*Please note that all of the comparative percentage statistics referenced in this narrative compare the 2027 Budget to the 2026 **Estimated Actual**, except in those instances where a Budget-to-Budget comparison is clearly noted.*

REVENUES

PROPERTY TAX: Property tax is the primary revenue source for the District's General Fund, constituting 90% of total budgeted revenue for 2027. Property tax revenue is calculated by multiplying the assessed valuation of properties (as determined by the County Assessor) by the District's approved mill levy rate. Preliminary assessed valuations indicate a 2.71% decline compared to the final 2025 assessed values payable in 2026. However, preliminary certification figures reflect an increase in abatements and refunds of approximately \$47,708 (or 243%).

Preliminary property tax revenue for 2027 reflects a decrease of 6.03% (\$983,118) compared to the 2026 estimated collection amount. Property tax revenue is budgeted at a 99.6% collection rate (slightly under 100%) to account for current-year delinquencies, abatements, and refunds.

Mill Levy Tax Rate: The current mill levy projected for 2027 is 6.2902, which includes:

- The 2019 voter-approved base rate from Ballot Measure 6B (5.8500 mills).
- A statutory adjustment to recover prior-year abatements and refunds (0.0280 mills).
- A voter-approved temporary adjustment for decreased assessment rates (0.5946 mills).
- A mandatory reduction (-0.1824 mills) to comply with Colorado House Bill 24B-1001, which caps local government annual revenue growth at 5.25%.

SPECIFIC OWNERSHIP TAX: Specific ownership taxes are assessed on vehicle value and collected upon annual registration in Colorado (covering cars, trucks, trailers, mobile homes, and special mobile machinery). Projections indicate a slight decrease compared to 2026 estimated actuals. Specific ownership tax accounts for 7% of total 2027 General Fund budgeted revenues.

CONTRACTS, GRANTS: Contracts and grants are budgeted to decrease by \$14,124 from the prior year's budget. In 2027, PCCLD has conservatively budgeted grants to include only the anticipated E-Rate reimbursement of \$173,390. The Pueblo Library Foundation, a component unit of the District created in 2012, continues to receive and manage the majority of philanthropic grants and contributions.

INTEREST: Interest revenue for 2027 is budgeted flat compared to 2026 levels due to financial market volatility. While investment yields remain favorable, the District is budgeting conservatively. Interest income also includes earnings on property tax funds held by Pueblo County prior to monthly remittance to the District.

FINES, FEES: Primarily due to automatic renewals and late fee eliminations, budgeted fines and fees have consistently decreased compared to previous years. In 2027, projected collection of fines and fees are slightly more than the estimated amounts for 2026.

PHOTOCOPIER & INTERNET COPY FEES: Revenue from patron printing and copying fluctuates annually. The 2027 budget is set slightly above 2026 estimated actuals and remains equal to the 2026 adopted budget, aligning with recent utilization trends.

CAFÉ SALES: 2027 marks the fourth year of Café operations in PCCLD's budget. Estimated sales for 2026 are just over \$22,000, and the 2027 budget is projected at \$18,000. With three full years of operational history, the District is utilizing emerging trends for baseline budgeting.

MISCELLANEOUS: Miscellaneous income is projected to increase slightly in 2027 compared to 2026 estimated actuals. This line item accounts for minor, nonrecurring receipts such as refunds and reimbursements.

Total General Fund revenue for 2027 reflects a 6% decrease (\$1,110,368) compared to 2026 estimated actual revenues, primarily driven by lower assessed valuations and the statutory 5.25% revenue limit.

EXPENDITURES

PEOPLE TO PROVIDE SERVICES: Personnel expenditures are projected to increase by 9% over 2026 estimated figures. This category encompasses all personnel-related costs, including salaries, PERA contributions, payroll taxes, employee insurance, training, and employee relations.

Salaries and Wages: Salaries and wages represent 42% of total 2027 General Fund expenditures. This line item is budgeted to increase by 9% over 2026 estimated actuals, accounting for merit/cost adjustments, filled vacancies, and position reclassifications or additions. The budget includes a 3.5% adjustment in accordance with the District's salary compensation pay plan.

PERA: The District participates in the Colorado Public Employees' Retirement Association (PERA). Employer contribution rates will increase from 15.80% in 2026 to 16.84% in 2027. In accordance with 2018 legislation, contributions for employees hired after July 1, 2021, are calculated on pre-tax deductions.

Workers Compensation Insurance: Current projections for 2027 remain flat compared to the 2026 adopted budget, though final rates may fluctuate up to 5% based on industry trends.

Employee Insurance: The District is affiliated with the Public Sector Healthcare Group to facilitate employee insurance. The budget for 2027 allocates an increase of approximately 10% for premiums paid by the District on behalf of employees for health, dental and life insurance compared to the 2026 estimated amount. This increase is due to an industry wide rise in healthcare premiums.

State Unemployment Compensation: State unemployment tax is calculated directly from the salary line at 0.3%.

Medicare Trust: The District is obligated to pay and remit Medicare tax for all active employees. The expense increases at a parallel rate to salaries. This rate has remained consistent over the past several years at 1.45% of covered salary.

Employee Relations: Employee related costs that do not fall within the benefits or training categories are categorized as employee relations costs. This encompasses recruiting expense, volunteer appreciation, tuition reimbursement funding to incentivize staff pursuing a degree and the employee assistance program. This budget increased 8% in 2027 compared to the 2026 estimate. The 2027 budgeted amount remains consistent with 2026 budgeted amounts.

Employee Training: Training costs increased in 2027 79% over 2026 estimated expenses. When comparing the 2027 budget amounts in training to the 2027 budget, the amounts are fairly consistent. The District remains committed to utilizing training tailored to libraries and special districts as well as to finding efficiencies and reducing costs. This budget provides opportunities for staff and board members to attend educational events and workshops. The amount of this training budget is 1.5% of the total salaries budget.

MATERIALS AND SERVICES: This section of the 2026 budget has increased in total 7% from the 2026 estimated expenditures.

Books, Periodicals, AV and Digital Material: Budgeted 8% higher than 2026 estimates. While digital collection demand continues to grow, the District maintains a strong commitment to physical media, allocating 22% of collection funds to physical print. Overall collection expenditures account for 14% of total operating costs.

Library Programs: Departments across all Library branches offer programs for Library patrons. Each department's programs and event budgets were evaluated to align with trends in program participation. The commitment to efficiency in allocating funds for programs presented throughout the District remains a high priority.

In 2026 and 2027, The Friends of the Pueblo Library District earmarked \$20,000 to fund competitive grant application process to supplement District activities and programs. In addition to grants, The Friends were able to continue specific program awards, supporting District wide events including Summer Reading and All Pueblo Reads. In total, the Friends are providing The District with program support totaling approximately \$40,000. The Friends have received steady sales and donations, allowing program support to remain steady from 2026 to 2027 funding levels

Bindery/Processing Supplies and Services: When materials are purchased, bindery and processing costs are delineated separately from the actual material expenses. These costs are anticipated to remain flat over 2026 budgeted amounts.

FACILITIES TO PROVIDE SERVICES: The budgeted amount in 2027 for facilities costs is budgeted to increase 11% compared to estimated 2026 expenses. This is due mainly to an expected increase in utilities.

Utilities: All Library facilities utility costs are budgeted to flat compare to 2026 budget amounts.

Vehicle Expense: In 2027 vehicle expenses will remain fairly unchanged from the budget and expected amounts in 2026.

Building Repair and Maintenance: Comprising seven distinct branches, the District incurs costs to properly maintain the buildings, janitorial services, trash removal, carpet cleaning and maintenance supplies. Minor maintenance projects also contribute to this budget amount. The 2027 budget is 18% higher than 2026 estimated costs.

Rent: The District leases one building, which is primarily occupied by the Friends of the Library (Friends) and a portion of the building is utilized by the District for storage. A five-year lease agreement began in January 2022, rent is scheduled to increase by 3% annually.

Lease/Purchase of Buildings: Annual payments for debt service on the reissuance of 2012 Certificates of Participation (COPs) and the new 2020 Certificates of Participation (COPs) principal and interest amounts are recorded in this category. The 2012 COPs were refunded in 2020, and additional funds were secured to complete the renovation of the Rawlings Library. A detailed debt service page, which determines the exact budget amount every year for the annual COP payment, can be found later in this document.

Insurance: Insurance is budgeted to increase 10% for property, liability, auto, D&O, umbrella and miscellaneous insurance. This estimate is in line with an industry-wide average increase.

Friends of the Library Expenditures: Expenses associated with Friends of the Library grants awarded remain flat in comparison to 2026 estimated expenses in 2027. The expectation is programs and events supported historically by the Friends will continue in 2026 and will receive Friends grants. Friends' contributions are also recorded in other line items.

OPERATING: This section encompasses expenses related to the general operations of the District. The overall expectation is a 7% decrease from 2026 estimates, accounting for both increases and slight decreases in specific expense categories. The District maintains a focus on finding efficiencies whenever possible while still meeting current needs of all the branches, which can result in numerous operational changes in 2027.

Contractual Services: Services provided to the District by miscellaneous external sources are budgeted to decrease 12% from 2026 estimates. The decrease is due to less budgeted consultant fees for 2027.

County Treasurer's Fees: The County Treasurer charges administrative fees to collect both property and specific ownership taxes for the District. Those fees are decreasing in comparison with the prior year as a result in the decrease in property tax collections. These fees correlate with property tax revenue, representing 1.5% of the tax amount.

Community Relations: Expenses related to the Community Relations Department decreased 31% over 2026 estimates, this is due to an increase in expenditures for community engagement and promotional materials in 2026 that were reduced in the 2027 budget.

Professional Memberships: All departments and branches are encouraged to participate with professional groups that offer benefit for the District. The budget for 2027 reflects an decrease of 11%, representing the anticipated memberships maintained by the District in 2027.

Office Supplies and Equipment: Supplies and equipment needs in 2027 are budgeted to increase of 21% over 2026 estimates. This is attributed to anticipated needs in 2027 such as office chairs for staff.

Photocopiers: Outside services costs related to photocopiers for the 2027 budget year increased 8% compared to the 2026 estimate amount.

Courier Service: Courier services provided for the utilization of the interlibrary loan program allow the District to be a part of the state library system. Costs remains flat in 2027 compared to the 2027 budget.

Postage and Freight: Postage and freight incurred by the District is driven by actual costs. The 2027 budget is flat in comparison with the 2026 budget amount. The annual budgeted amount is representative of customary postage and freight costs and accounts for increased postage rates.

Café Services: In late 2023, the District contracted with a local vendor to operate the Rawling's café on behalf of the library. The District has agreed to cover certain costs associated with the café and in return will receive a revenue share percentage of revenue. The budgeted costs for 2027 are 2.0% higher than the estimated expenses for 2026.

INFORMATION TECHNOLOGY: Overall Information Technology costs are budgeted to increase 8% in 2027 compared to 2026 estimated. The District is working to improve technology across all aspects and the costs are significant to complete this initiative.

Telecommunications: District costs associated with telecommunication show a 30% increase over 2026 estimates. This is due to increased costs from internet service providers. It is important to note that the E-Rate reimbursement revenue anticipated in 2027 is \$123,606, providing a significant offset to this expense.

Hardware Repair & Maintenance: IT repair and maintenance are budgeted to increase by \$3,325 over 2026 estimates. This is based on the costs of repairs for patron copiers and printers.

Technology Supplies: Technology supplies needs have decreased approximately \$6,441 based on anticipated spending in 2027.

Technology Maintenance, Licenses & Support: Support encompasses all contractual services expense related to IT, including network maintenance, consulting and support agreements, licenses and other related items. Costs are expected to rise by 2% in 2027 over the 2026 estimated expenses. It is important to note that the E-Rate reimbursement revenue anticipated in 2027 is \$49,784 providing a significant offset to this expense.

The total increase in expenditures in the 2027 budget in comparison with 2026 estimated actual expenditures is 9% or \$1,371,999.

FUND BALANCE

The ending fund balance forecast in the 2027 general fund budget is \$4,776,327 a decrease of \$1,027,308 from the estimated ending 2026 General Fund balance. This includes a transfer of \$2,175,602 from the General Fund to the Capital Project fund planned in the 2027 Budget. This is an amount necessary to help maintain the Library Replacement Plan, fund the Master Facility Plan and offset capital asset spending.

The Pueblo City-County Library District established the annual budget with a goal of maintaining a healthy end-of-year fund balance. It is not District policy or practice to exhaust the entire budget to prevent the loss of funds, which can be a common occurrence in governmental entities. Being a special district, any funds remaining at the end of the budget year, calculated by deducting the expenditures from the revenues, are retained in the District's fund balance. Restrictions against the General Fund Balance include an emergency reserve of 3% for the TABOR amendment reserve which equals \$509,902 and \$4,700 restricted for Nesbitt employee activities and the Chamberlain account.

2027 PRELIMINARY BUDGET**

GENERAL FUND BUDGET - REVENUES

GENERAL FUND BUDGET - EXPENDITURES

CAPITAL PROJECT FUND

The Capital Project fund encompasses three primary functions:

- **Library Replacement Plan:** Established to provide funding for the planned replacement of library infrastructure and capital assets,
- **Acquisition of Capital Assets:** Capital assets purchased or improved during a fiscal year which are not accounted for in the Library Replacement Plan,
- **Master Facility Plan:** Plan to record revenues (including donations and outside financing sources) and expenditures for renovation and refurbishment for all Libraries within the District

REVENUES

CONTRIBUTIONS, GIFTS, GRANTS: Contributions, gifts and grants totaling \$100,000 this funding is conservative estimate of gifts and grants that may be received in 2027, in addition to E-Rate funding of \$82,800.

INTEREST EARNINGS: Interest earned on cash holdings is budgeted at \$100,000 for 2027.

EXPENDITURES

Master Facility Plan Projects: There are no renovation plans to any libraries in 2027.

Capital Asset Repair & Maintenance: Non-depreciable asset expenditures and contingency funds totaling \$53,000 are budgeted for 2027. This includes seal coating the parking lot at the Pueblo West Branch and small landscaping upkeep projects at the Rawlings and Lamb branches.

Capital Asset Acquisitions. Several Library Replacement Plan items are budgeted for here including a new automated materials handler at Pueblo West, replacement entry gates, upgrades to the fireplaces at the Giodone and Greenhorn Valley branches, and

miscellaneous IT purchases. Capital asset acquisitions are budgeted for \$609,000 in 2027.

Total capital fund spending in 2027 is projected at \$686,000.

OTHER FINANCING SOURCES/USES

TRANSFER IN FROM THE GENERAL FUND: In 2027, there is a budgeted transfer of \$2,175,602 to the Capital Fund, for ongoing funding of capital asset acquisitions, the Master Facility Plan, and the Library Replacement Plan. Additionally, the District is projecting revenues (contributions, donations, grants, interest) of \$282,800

FUND BALANCE

The fund balance forecast in the 2027 Capital Project fund budget is \$6,322,776. This ending fund balance is the combination of the budgeted income and additional funds transferred from the General Fund to the Capital Fund for the Library Replacement Plan, the Master Facility Plan as well as the planned Capital Fund expenditures.
