Special to The Chieftain.

Silver Cliff, Colo., April 5.—While driving near here, Mrs. Amanda Mervin of Chicago was killed in a runaway and her father, aged sixty, sustained serious injuries, from which it is feared he cannot recover.

Mr. Swartz and his daughter came to Silver Cliff from Durango three weeks ago for his daughter's health and were visiting at the home of his son. Lewis Swartz. While on their way home from a trip to Rosita their horse became frightened and ran away. The buggy was overturned and Mrs. Mervin was killed almost instantly. Swartz sustained a broken shoulder and other serious injuries and was unconscious for several hours.

Mrs. Mervin had been married but a year, today being the first anniversary of her marriage. Her husband is in Chicago.
