

**Chilton's Automotive** provides detailed information to tackle vehicle maintenance and repairs. Users can search for specific vehicle make and models to locate step-by-step service and repair procedures. The database provides diagrams, photographs, and illustrations for visual support which can be easily printed for convenience.

Go to [www.pueblolibrary.org](http://www.pueblolibrary.org) → Search → Databases

Select **Automotive** (left column) → **Chilton Library**

The image shows two screenshots from a website. The left screenshot shows a sidebar menu under the heading "eResources" with options: "Complete Database List", "Automotive", "Business", and "College Prep". A red arrow points to the "Automotive" option. The right screenshot shows a list of database options: "Auto List", "Auto Repair Reference Center", and "Chilton's Automotive". A red arrow points from the "Automotive" option in the first screenshot to the "Chilton's Automotive" option in the second screenshot.
