Do you want to learn how to be a leader, create positive change in your community, speak in public and give yourself a headstart for life after high school? The Leadership Institute at the Pueblo City-County Library District is the program you've been looking for!

Women in grades 10-12 are invited to apply to be part of the fourth annual Leadership Institute, a fundraiser for the Pueblo Library Foundation.

This will be a life-changing opportunity to make friends, learn about leadership and impact the lives of Pueblo's citizenry through supporting the public library. The cohort will meet once a month from February through June and culminates with the Bal de Bibliotheque on July 13, 2019. This ball will be a one-of-a-kind event where all participants will be publicly recognized for their accomplishments and introduced to the community. Proceeds benefit the Pueblo Library Foundation's endowment fund. Tuition for the program is \$500. Several partial and full scholarships are available.

PARTICIPANT TESTIMONIALS:

I expected this program to improve my knowledge on how to be a better and more empowering leader. However, what I did not expect was the relationships made with the other girls or the leadership skills that were instilled in me by the strong women of the community. Furthermore, there is something to be said for interacting with other young women and gaining

the experience that comes with hearing a diverse range of voices having the conversations that need to be had about the issues in our community.

Having an opportunity to be a part of this program has opened my eyes to what a leader is and what to do to be a leader. One thing that I will carry on is that I don't have to be afraid of being a leader and taking control.

The leadership institute program has greatly impacted my life and I am forever grateful to be part of it. It has taught me to be bold, open-minded, and determined in everything I do. —Deanna
